SUBJECT INDEX

Volume 25, 1997

A

Adjudication of wills, nineteenth-century crisis, 273
Adjudicative competence and depression, in jailed women defendants, 105
Adolescent psychopathy, predictors of, 261
Adult sibling incest, ethical aspects of, competence to consent, 217
Aggression and schizophrenia, risperidone, efficacy of, 173
American Psychiatric Association, resource document
  computerized records, 561
  peer review, 359
  preserving patient confidentiality, 551
  principles of informed consent, 121
Americans with Disabilities Act, test anxiety, accommodations for, 197
Antipsychotic medication, risperidone-treated patients, comparison of, 173

B

Black letter of the law, beyond the, individual judicial decision, study of, 79
Book Reviews, 127, 223, 433, 625

C

Characteristics of competency: functional, casual, interactive, judgmental and dispositional, 469
Child abuse
  memory, repression and sexual, forensic implications, 31
  neglect, forensic consultation, framework for, 581
Civil commitment
  hearings, judicial decision, study of, 79
  law, in the United States and elsewhere, reform of, 135
Clinical and neuropsychological characteristics, not guilty by reason of insanity of murder, 161
Clinical aspects of informed consent, 121
Cognitive functions, utilization of, competency assessment process, 531
Commitment, involuntary
  international perspective on the law of, 135
  outpatient, a conceptual model, 5
Competency
  consent to hospitalization, 191
  criteria, criminal defendants, comparison of, 249
  to stand trial
    evaluation, a study in two states, 469
    forensic pretrial decision-making, group dynamics, 95
Computerized records, a guide to security, 561
Continuing emotional propensity, assessment of, 59
Conundra for clinicians, inpatients' sexual behavior, 441
Correctional psychiatry, introduction to
  part I, 375
  part II, 571
CQ-Med questionnaire, preliminary screening, useful instrument for, 191
Criminal defendants, competence of, MacArthur Adjudicative Competence Study, assessing measures, 249
Criminal recidivism, life-time, prevalence of, 211
Criminal responsibility, multiple personality disorder assessment, 391

D

Delinquency and antisocial behavior, 261
Depression and adjudicative competence, relationship to, 105
Distinguishing features in prisoners, self-mutilation and suicide attempt, 69

E

Efficacy of treatment, for adult survivors of child sexual abuse, 49
Escape, maximum security forensic hospital, from a, 547
Ethics
  aspects of adult sibling incest, competence to consent, 217
  forensic psychiatry, necessity for, principles of, 233
  general and forensic psychiatry, guidelines, 17
Evaluation, peer review, expert testimony of, 359

F

Female mentally disordered offenders in Japan, impact on society, 295
Forensic pretrial decision-making, group dynamics in, 95
Forensic psychiatry
  adjudication of wills and, origins of, 273
  child abuse and neglect cases, suggested framework for consultation, 581
  guidelines, examination, conduct of, 17
  maximum security, escapes from, 547
  memory, repression, and child sexual abuse, 31
  risperidone effectiveness, study of, 461
  stalkers, legislation pertaining to, 541
  theory of ethics for, 233

G

Genocide in Bosnia, Dr. Radovan Karadzic, the case of, 485
Group dynamics, forensic pretrial decision-making, 95
Guidelines
  concerning psychiatric services in jails and prisons, 571
  forensic psychiatric examinations, development of, 17
  national, correctional psychiatry, 375

H

Health care in prison, assessment of, 401
Homeless mentally ill veterans in jail, identifying, 311

I

Information technology era, preserving patient confidentiality, 551
Informed consent evaluation process, a study of, 531
Inpatients' sexual behavior, potential liability resulting from, 441
Insanity acquittees, residential settings of, 509
International perspective on involuntary commitment, the law of, 135
Isolation, jail suicides, causes of, hypothesis, 285

J

Jaffee v. Redmond, making the courts a tool of injustice?, 383
Judge's decision policy for commitment hearings, 79
Jury instructions, do juries listen?, 565
Juvenile sexual homicide offenders, 497

K

Kansas v. Hendricks, predatory acts of sexual violence, 607
Karadzic, Dr. Radovan, genocide in Bosnia, the case of, 485

L

Legal digest
  automatism, differentiated from insanity, 615
  civil commitment
    emergency commitment, due process, 409
    right to treatment, 613
  conditional release, psychiatric security, mental illness, pedophilia, 614
  criminal conduct, patient neglect, reckless endangerment, expert testimony, 617
  criminal responsibility
    conditional release of insanity acquittees, 410
    insanity acquittees, conditional release of, 615
  diminished capacity
    unconsciousness defense, 411
    voluntary intoxication, specific intent, evidence admissibility, 412
  disability discrimination, persons with mental retardation protected under 42 USC 1985(3), 415

duty to protect, release of violent patient, warn public of, 617
duty to third parties, employer liable for harm resulting from incomplete letter of recommendation, 417
emotional distress, negligent infliction of, 619
expert witness
admissibility under Frye standard, neonaticide syndrome, 416
Supreme Court amends expert witness discovery rules, 415
false memories, malpractice, 623
guardianship, consent for electroconvulsive therapy, 410
insurer liability, 620
job exclusion, due to substance abuse, 623
physician-assisted suicide, 622
prisoners
deliberate indifference, 414
disability discrimination, 616
privatization, prison guards, limit on qualified immunity for, 621
privilege, psychiatric information, pretrial discovery of, 616
psychiatric benefit claims, full and fair review of, 623
psychiatric disability, EEOC issues psychiatric disability guidelines, 419
repressed memories, therapist liability, 622
scope of practice
forensic social worker bills introduced, 417
GAO report finds no need for prescribing psychologists, 417
workers' compensation, mental injury benefits, 621
Legal theory, assessing criminal responsibility, multiple personality disorder, 391
Letters to the Editor, 421
Long-term psychiatric beds, occupancy of, by insanity acquittees, 509

M

MacArthur Adjudicative Competence Study, comparison of criteria, 249
Malingering
detection of, 183
relationship between escape behavior and psychopathy, 547
Mental disorders in prison, health care assessment, commission on, 401
Mental health clients, involuntary outpatient commitment, a conceptual model, 5
Mental health policy, female offenders, social changes in, 295
Mental health professionals, legal developments, repressed memory litigation, 31
Mental health services, correctional setting, guidelines, 375
Mentally ill veterans, homeless, in jail, a report, 311
Missouri's insanity acquittees, characteristics of, 509
Multiple personality disorder, assessing criminal responsibility, 391

N

Natural born killers, sexually sadistic serial killer, the development of, 335
Neglect, child abuse, framework for forensic consultation, 581
Nondiscrimination, disability, on the basis of, Americans with Disabilities Act, 197
Nonpsychotic and psychotic stalking, study of, 317
Nonschizophrenic fire setters, criminal recidivism, family histories of, 211
Not guilty by reason of insanity, murder, clinical and neuropsychological characteristics of, 161

O

Oppositional and conduct-disordered symptoms, adolescent psychopathy, predictors of, 261
Outpatient commitment, involuntary, effectiveness of, 5
Outreach efforts, homeless mentally ill veterans, a discussion, 311
Override procedure, treatment refusal resulting in use of, 349

P

Parens patriae justifications, to study the role of, 79
Patient confidentiality, preservation of, era of information technology, 551
Peer review, voluntary versus mandatory, 359

Personality background, juvenile sexual murderers, 497
Physician-assisted suicide, Supreme Court and, 595
Principles of informed consent, APA resource document, 121
Prison
  commission, health care delivery, process of assessment, 401
  population, mental and emotional problems, increase of, 149
Psychiatric outpatient population, in prison, youthful offender's, description of, 149
Psychological profiling, genocide perpetrator, charismatic narcissistic political leader, 485
Psychopathology
  competence and, 105
  juvenile sexual homicide offenders, 497
Psychotherapist-patient privilege recognition, 383
Psychotic and nonpsychotic stalking, study of, 317

R

Risperidone
  efficacy of, in treating aggression and schizophrenia, 173
  management of schizophrenia, study of, 461

S

Schizophrenia
  aggression and, risperidone treatment, 173
  fire setters, alcohol dependence in, family histories of, 211
  management, risperidone effectiveness, study of, 461
Security guide, computerized records, 561
Self-injurious behavior, close observation, effective option, 285
Self-mutilation, suicide attempt, common in prisoners, 69
Serial killer, sexually sadistic, natural born killers?, 335
Sex offenders
  prosecution of, continuing emotional propensity, central role in, 59
  repeat predatory acts, 607
Sexual abuse
  child, memory and repression, 31
  therapist negligence, efficacy of treatment, 49
Sexually aberrant acts, scientific status of, continuing emotional propensity, 59
Sexual relationships, adult sibling incest, ethical aspects of, 217
Social change, in Japan, mental health policy, 295
Stalkers, the South Carolina experience, a study of, 541
Stalking dynamics, psychotic and nonpsychotic, study of, 317
Standardized versus nonstandardized methods of competency assessment, study of, 469
Structured Inventory of Malingered Symptomatology (SIMS), designed to detect malingering, 183
Suicide
  inmates, caused by isolation?, 285
  physician-assisted, 622
  self-mutilation and
    distinguishing features in prisoners, 69
Supreme Court, physician-assisted suicide and the, 595

T

Test anxiety, Americans with Disabilities Act, accommodations for, 197
Theory of ethics, for forensic psychiatry, 233
Therapist negligence, adult survivors of sexual abuse, claimed by, 49
Treatment refusal, procedures, service utilization comparison, 349

V

Verdict, do juries listen to instructions?, 565
Violence
  Kansas v. Hendricks, managing repeat sexual offenders, 607
  stalkers, erotomania, obsessional following, 541

W

Washington and *Vacco* verdicts, the Supreme Court and, physician-assisted suicide, 595

Y

Youthful offender setting, description of, 149
